three VET schools in Krakow. Since the schools are in the different districts of Krakow, they have different student profile. The schools have different professionalism, too.

The schools we visited, are:

- the Building Schools Chemobudowa SA,
- Gastronomic School no.1 in Kraków,
- Mechanical Schools no. 1. in Kraków.

Therefore it was very useful to visit those three schools and see different applications, school atmosphere and student profile. We all like a lot the hospitality of Polish schools and students. Thank you a lot...

The Next Meeting:

The next meeting, 5th partnership meeting, will be held in Helmond/ the Netherlands. ROC Ter AA Helmond will organize this meeting by cooperating with SECMO/ Waalre.

The partners of "From VET to WOW" project have organized the competition for VET Schools "Best in Cooperation between Schools and World of Work". Each partner organization decided their criteria with consulting the experts in this area in their country. Moreover each partner organization decided to organize the competition locally, regionally or nationally. In the 4th project meeting which was organized in Krakow by the coordinator institution Inncrea, the gala was organized for the award ceremony. The winner Polish schools received their awards. We are happy to announce the winner schools from the partner countries are...
